

G-Sleeve

Elda Glavis
employed since 2013

This unit works with...
Plastic Top NSN 8115-01-444-0211
Plastic Bottom 8115-01-444-0206

The G-Sleeve is a very durable, strong, collapsible and reusable pallet sleeve a better alternative to the flimsy cardboard sleeve that you may have seen laying around your warehouse or motor-pool. The G-Sleeve is made of 58% recycled polypropylene and is built to last.

- ▶ No more weather damage
- ▶ No more waste
- ▶ Reusable and Lightweight
- ▶ Durable and Collapsible
- ▶ Flame retardant & washable
