A Message from Tim Hatch

Thank you for supporting **stlb™**! Just by taking the time to browse through this catalog and purchasing the products featured in the following pages you are helping to make a difference in the lives of our neighbors who are blind and visually impaired across South Texas and beyond!

stlb™ provides a wide spectrum of services. First, we are the premier employer of South Texans who are blind or visually impaired south of Houston and San Antonio. We operate two manufacturing plants, one in Corpus Christi and the other in Victoria, where our employees who are blind and visually impaired assemble office products, such as binders and index tabs and package supplies like toilet paper and cleaning products for state and federal agencies. We also assemble mail trays for the United States Postal Service and, through our sewing department, manufacture aviation gloves and chin straps for the military in both our production plants.

Our work doesn't stop there. We operate six Base Supply Centers (BSC) on military installations from as far away as California and Hawaii! We sell the products that we manufacture along with products from any of the other 90 agencies across the country that employ those who are blind or visually impaired. In keeping with our mission to **employ, educate and empower** our neighbors who are blind and visually impaired, we afford those with vision loss the opportunity to gain valuable retail sales and customer service experience in each of our Base Supply Centers through employment opportunities. **stlb™** assesses and fully provides all needed accommodations to our employees who are blind and visually impaired, showcasing their talents and abilities despite their disability.

Finally, **stlb™** is a go-to resource for those with vision loss. Folks with issues related with vision loss can call in, and our team will refer them to the appropriate place where they can get the assistance they need, whether it be finding affordable and accessible housing, financial assistance for a sight saving procedure or training in using assistive technology and orientation and mobility skills for traveling independently. In addition, **stlb™** operates a low vision store where individuals who are blind and visually impaired can purchase adaptive aids that can help them live a more independent and productive life. Some of the adaptive low vision products we sell include a variety of canes for people who are blind, talking watches and alarm clocks, bump dots and much more, all at reasonable prices!

All of this is possible with your continued support. As an individual who is visually impaired has benefitted from all of the services that **stlb™** has to offer, and who now serves as part of the team to help **employ, educate and empower** our neighbors who are blind and visually impaired, I could not be more thankful to all of those who make our work and mission possible.

Once again, thank you!

Tim Hatch

About Us

stlb™ has been changing the lives of individuals who are blind or visually impaired since 1964. Since its humble beginning at a small warehouse, the Lighthouse has grown from only three to nearly 200 employees; from a small building to a 140,000 square foot facility over seven acres, and from providing only brooms and mops, to providing a series of office products, military supplies, and services to government agencies.

We are one of the Largest Manufacturers of quality 3-ring binders in the United States. But size is not what we are all about. Quality is. We are ISO 9001:2000 Certified, an internationally recognized quality standard. It is our employees that make us different, from our customer service staff that will work with you to meet your needs to our competent and highly trained manufacturing staff. Here you'll find a dedicated and responsive organization.

We know that if you put your name on it, you want quality. So we use the finest materials we can find. Thanks to our efficient operation, we are able to combine top quality with some of the most competitive prices available.

We hope you will give us a chance to prove just how good we are!

How To Order

By Email customer.service@stlb.net

By Mail: Sales Department
stlb™
P.O. Box 9697
Corpus Christi, TX 78469-9697

By Phone: 1-888-255-8011 x126, x137, x185

Many of the products are Ability One products and may be ordered through the following sources:

Government and Commercial Electronic

GSA Advantage! On-Line Shopping Service - GSA Advantage! is an Internet-based shopping service with millions of products and negotiated savings. Many of the most commonly used Ability One supplies are available through GSA Advantage and are identified with the Ability One logo. GSA, Ability One distributors, and www.abilityone.com offer competitive pricing and convenient delivery options. To browse or order, go to: www.gsaadvantage.gov.

Order by AbilityOne Authorized Distributors

You may purchase AbilityOne items through a number of other distribution channels: DOD Email (www.dla.mil) and through an authorized MAS (Multiple Awards Schedule) vendor: For a comprehensive list of MAS vendors, please go to the <http://www.abilityone.gov/distributors/index.html> website and click on “Current AbilityOne Authorized Distributors.”

Order by AbilityOne Authorized Wholesalers

You may also order through the AbilityOne Authorized Wholesalers: Essendant (www.essendant.com) and SP Richards (www.sprichards.com)

Ability One Retail Locations (Base Supply Centers and More!)

The Ability One program operates Base Supply Centers on many military installations and some additional supply stores in Federal buildings. Also known as Self-Service Supply Stores or SERVMARTs, these convenient locations allow walk-in shopping, and in most cases, will deliver orders on base. Look for a wide range of Ability One products and other essentials items at each location.

Feel free to contact **stlb™** if you have any questions or comments.

Index Tabs

Index Maker Dividers

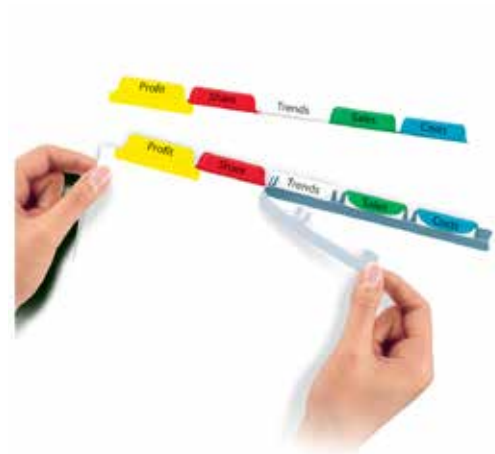

Produce print shop-quality documents at your desktop. Clear labels virtually disappear when applied to tabs. Creating tab labels for one or more divider sets is quick and easy with free Easy Apply™ Auto-Fill.

For laser and ink jet printers. Take advantage of the efficient, patented Easy Apply™ label strip that allows you to apply clear labels to all tabs all at once: simply print labels, align them against tabs, smooth down labels and peel the strip. Regardless of your line of business, Index Maker products help turn your written work and presentations into professional, print shop-quality documents in just a matter of minutes-right at your desk.

Templates available at avery.com/library.

Round Ring Standard Binders

Nicholas Cordova III,
employee since 2016

Utilizing the best components in manufacturing, our 3-ring vinyl binders are some of the toughest in the industry. Anodized and strengthened O rings that won't mis-align or open at the wrong time. Heavy duty vinyl that will not tear at the slightest catch. Pockets that hold those extra papers snug. Employees who are particular about and proud of their workmanship. All these are what make our vinyl binders work to keep your material where it needs to be: bound together.

They come in a variety of colors. The ring capacity shown is the maximum number of 20 lb. bond sheets that each binder will hold.

Recycled Binders

100% Recycled & Recyclable Turned Edge Binder-D Ring on back Cover

Colors:   

With the green movement filtering down to everyday lives, **stlb™** has come up with not only a recycled binder but a 100% Recyclable binder. Once the binder is too worn to continue its use, instead of throwing it away, you can recycle the whole binder! It only takes but a minute to separate the rings from the binder, and when that is finished, just recycle accordingly. They come in three great colors with a leather grain finish, and several different sizes with D-rings that can hold 20% more paper than regular round rings. It helps us do everything we can to preserve the environment while providing a professional looking binder that doesn't look like it's recycled.

CD/DVD Sleeves

Paper and Plastic

Even a small scratch could significantly damage a CD or DVD, so protect your discs with our sleeves. We have white paper sleeves and white plastic sleeves. Our paper sleeves have a window cut out, so you can always see what it contains and a back flap to provide security that helps it from falling out in transit. Our plastic sleeves have the capacity of holding two CD's and have 5 holes for the capability of inserts and/or binding.

G-PAK

G-PAK Packing System

Introducing the future of packing and shipping! The G-PAK is a durable, reusable, advanced packing system. It is a RDB-Rapid Deployment Box, but is also great for all your storage needs. It is 100% reusable and 100% recyclable.

Stop wasting money on products for packing and shipping that you will have to dispose of after only one use. The G-PAK is stackable, weatherproof, and also collapses so that you can stack for future use or ship them back efficiently and resourcefully. Save space and re-use them over and over again. It has a built in pallet, drain holes, and is able to be lifted from all sides. (Forklift & Pallet Jack Ready!) The G-PAK can store up to 3000 lbs. Don't waste money anymore on supplies that can only be utilized one time. Go green, save money, and be a part of the future of packing and shipping!

Size	Dimensions	NSN
Standard	48x40x36	8115-01-582-9711
Small	48x32x26	8115-01-582-9709
Medium	48x32x34	8115-01-582-9708
Large	48x32x50	8115-01-582-9710

G-PAK

G-Sleeve

The G-Sleeve is a very durable, strong, collapsible and reusable pallet sleeve. A better alternative to the flimsy cardboard sleeve that you may have seen laying around your warehouse or motor-pool. The G-Sleeve is made of 58% recycled polypropylene and is built to last.

This unit works with...
Plastic Top NSN 8115-01-444-0211
Plastic Bottom 8115-01-444-0206

- No more weather damage
- No more waste
- Reusable and Lightweight
- Durable and Collapsible
- Flame retardant & washable

Mouse Pads

Standard Mouse Pads

As one of the most popular computer accessories, the mouse pad is brought to you in either our three standard colors or your chosen artwork. We have blue, red and gray that come packed individually or in an assorted three-pack. For greater impact we can customize them with an image of your choice. Our four color process allows for a permanent high resolution imprint that won't fade. These mouse pads don't just look professional but are made to last: they are backed with heavy duty natural rubber that eliminates skid and has a resilient polyester surface that provides excellent traction.
