More than 25 million Americans are living with vision loss

SKILCRAFT™ Big Tab Insertable Dividers

Big Tab Insertable Dividers offer 1.5 times more printed space on the tab inserts. Unique tab design keeps inserts from falling out. Reinforced holes provide extra tear-resistance. 11" side is three-hole punched. 8-1/2" x 11" set is great for everyday use.

SKILCRAFT™ Index Maker Dividers

Professionally printed dividers you create on your own using your inkjet or laser printer. Clear labels disappear when applied to dividers, perfectly align tab labels and multiple sets at once with patented Easy Apply™ label strips. Ideal for projects requiring more than one set of dividers. Made from 100% post-consumer waste material, For use with 3 ring binders. Label sheet for labeling tabs individually included in all packs

SKILCRAFT™ Pre-Printed

One Step 8 1/2" x 11" tabs- no tab typing or inserting. Organize one or multiple binders more efficiently. Index sheets are made using 30% post consumer recovered materials. Includes customizable index sheets for easy reference. For use with 3 ring binders. Variety of options available to suit all your needs in the office.
